## 2024 OPTIONS

### I. Summer Vegetable Shares (starting early June)

This is the heart of what we do! Real food for you and your family. You'll receive all the traditional garden staples, but with a sense of style and adventure beyond what you would find in the typical grocery cart! We plant over a hundred varieties, ranging from delectable heirlooms to our "tried and true" favorites. Expect to find tomatoes and cucumbers weeks ahead of in your backyard! We carefully pick, wash, and pack your weekly share of 6-10 items, based on what is in season and ready for harvest. Grown using organic methods. The share season starts the second week of June and runs for either 12 or 18 weeks depending on your preference.

*Choose the option that fits you best! Deciding between Regular and Small? If the size turns out to not be a good fit after the first week or two, we are happy to adjust your share size and cost accordingly.*

- **Small Share.** 50-60% of size of the Regular Share, contains smaller quantities of items and/or fewer items. (Avg. \$25 per week. Good fit for households of 1-2 light veggie eaters.) Provides an opportunity to swap out 1 item each week.
- **Regular Share.** Our most popular option! (Avg. \$35 per week. Good fit for most households of 2-4.) provides an opportunity to swap out up to 2 items each week.
- **Large Share.** The same as a Regular Share, but larger! (avg. \$50 per week. Good fit for households of 2-4 that are serious vegetable eaters and/or do a lot of entertaining.) Contains larger quantities of items and/or more items. Provides an opportunity to swap out up to 3 items each week.
